

## Your direct access to high-quality medical advice and reliable service.

Dear customer,

please be informed that additionally to our services Globality Health offers you now access to **56,000 medical providers** within many specialties in Spain. DKV Seguros and Globality Health have signed a contract to offer you the possibility to have access to the **DKV Seguros medical network** on cashless basis.

The Mediacard entitles you to receive medical services you may need within the medical network from our contractual partner DKV Seguros. In order to be eligible for cashless service within the medical network you will always have to present your Mediacard at your medical provider. No additional action is needed from your side.
