

Globality CoGenio[®]

Corporate health insurance solutions for expatriate employees

Globality Health

The experts for expatriates

Globality Health is the international health insurer with a special focus on expatriates – people who study, live or work abroad.

Exclusive focus on our core business – first-class health insurance solutions for international businesses and persons spending extended periods of time abroad – are what distinguish Globality Health in a competitive environment. Numerous customers throughout the world trust our expertise and value our collaboration with our experienced and committed multinational staff in our head office in Luxembourg. From here and in close cooperation with our international partners in the medical sector we can offer you comprehensive advice and a reliable service.

Our years of international experience, knowledge of local health services and our focus on meeting the demands of our customers, enable us to develop innovative solutions for one of the fastest growing markets in the industry.

Top protection for your employees

When it comes to healthcare, your employees deserve nothing but the best. The Globality CoGenio® plan offers premium health insurance with comprehensive inpatient, outpatient and dental cover, flexible underwriting and market leading assistance whenever and wherever they are needed.

Worldwide care with the highest standards

First-class advice and organisational support are at the heart of our international services for your employees and their families, both when providing benefits and when dealing with general enquiries.

Globality Health standards:

→ **Product**

With Globality CoGenio® you profit from flexible underwriting solutions, high-level products with comprehensive inpatient, outpatient and dental insurance cover around the globe.

→ **Worldwide service**

Our service centres on the ground offer direct access to local specialists, seamless service and first-class support.

→ **Compliance**

Globality Health follows the highest standards of business ethics. A dedicated team of experts provides the security of evaluating all aspects of compliant business solutions for Globality Health's clients worldwide.

My Globality

Our online services are available 24 hours a day

All insured persons have direct access to our online services for even greater convenience and service. A personal login means that insured persons can access documents securely at any time.

My Globality includes access to the following online services:

- Eclaims – access and follow up with claims online
- View and download contract documents
- Provider search – find medical services worldwide, including comprehensive information and contact details
- Digital doctor

- Country information for expats – risk profile, useful tips, further information
- All services can be accessed via our app
- HR portal – register employees easily online

Globality CoGenio®

Three plan levels – optimal care

Globality CoGenio® offers three carefully designed plan levels: Classic, Plus and Top. The modularity of inpatient, outpatient and dental care as well as assistance services means that your insurance protection can be tailored to meet the needs of your company. The following table of benefits is an extract of the complete scope of benefits and services. All amounts apply per person per insurance year unless otherwise indicated.

Please refer to the General Conditions of Insurance (GCI) for detailed information.

Globality Health

The right partner at your side – worldwide

With health insurance from Globality CoGenio®, your employees are in good hands anywhere in the world and at all times. Our service centres on the ground are your reliable contacts. They speak with doctors and hospitals directly and take over the monitoring of treatment – even when the unforeseen happens.

Our aim is to give your employees immediate access to high-quality medical services, wherever they are in the world. With Globality Health's service and assistance network of competent and experienced partners on the ground, we offer our customers individual support worldwide as well as comprehensive, competent consultation for any situation.

Globality Health's service centres provide round-the-clock service in several languages. As they are familiar with the local health systems, regional structures and peculiarities, they can recommend medical providers, doctors and hospitals which ensure our standards are met. Furthermore, our service centres make appointments or take care of acquiring any necessary medication.

With the support of our service centres, we can offer consistent and seamless services across the globe in accordance with Globality Health's high-quality criteria. Should employees move from one region to another, their service centre may change – yet the service and assurance they enjoy from their Globality Health insurance remains the same wherever they go.

Your advantages:

- Worldwide assistance and international experience
- Local experts, on the ground available to help you and your employees 24 hours a day, 365 days a year
- Direct settlement with medical providers
- Complete medical evacuation should the necessary facilities not be available locally
- Worldwide shipment of vital medication
