Ensuring optimal care for your employees

Staff retention is an important part of a healthy corporate culture. With our occupational health insurance solution you show social responsibility towards your employees and improve their health situation.

This attractive and very flexible offer is considered an additional benefit. It significantly serves your corporate image.

Empowering your company's success

At Globality Health, we understand that every company is unique. Whether you're managing a large multinational corporation or a smaller family-run business, we offer healthcare solutions that are adaptable to your specific needs. With Xtend, our innovative occupational health insurance plan, you can take proactive steps to support the well-being and satisfaction of your employees, ensuring their health remains a priority.

- **Highly flexible** – Employees can access a personalized health budget of € 300, € 600, € 900, or € 1,200 per year and use it as they need. This flexibility allows employees to address the unique medical expenses they encounter.
- **Easy to understand** – Our plan is designed to be clear and transparent, ensuring that employees can easily navigate and understand their healthcare benefits without confusion.
- **Immediate access** – The health budget is accessible as soon as additional payments are required, ensuring timely access to care.
- **Fully digital administration** – From inception to claims settlement.

My Globality Our online services are available 24 hours a day

All insured persons have direct access to our online services for even greater convenience and service.

My Globality includes access to the following online services:

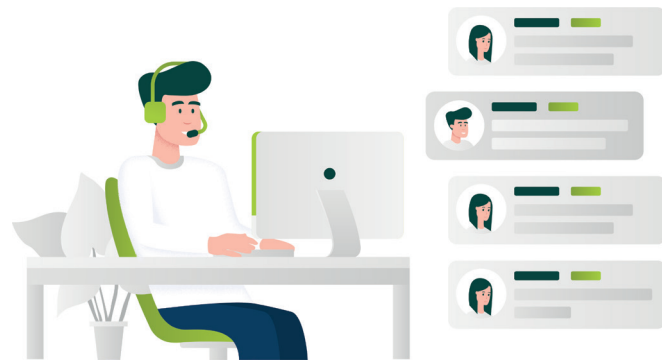

- **„My Globality“-App – health insurance always at your fingertips**

Thanks to this modern app, your employees can keep track of all their important health data and manage their insurance coverage themselves. For example, the app can be used to submit claims directly from a smartphone to speed up reimbursements. The app is free to download from the Apple App Store.

- **„My Globality“**

The 'My Globality' online portal offers your employees direct and secure access to important information about their health insurance. This is a secure way to claim benefits, search for medical service providers, download insurance documents and view details of all benefits online.
